"Gun Control Legislation"

Dear Sir,

I would like you to know that I, and all true Americans, greatly appreciate what you are doing against the present "gun control laws". I hope you keep up the good work and your sincere interest in our well being. You have my support and best wishes in your fight against the ridiculous laws that hurt the honest citizen and help the lawbreakers. Keep up the good work.

Sincerely,

Dear Mr. Southern:

Thank you for your letter concerning the firearms control legislation passed in the 90th Congress. Total repeal may be difficult but the bill which Congressmen Edmondson and Steed and I introduced on March 12, H. R. 8822, was proposed for this purpose. I hope we will be successful in rolling back some of these onerous restrictions upon sportsmen and law-abiding citizens.

Sincerely,

CARL ALBERT, M. C.
