HONORABLE CARL ALBERT  
House of Representatives.  
WASHINGTON D. C.

Dear Sir:

I AM disappointed by the LAST  
CONGRESS FOR PASSING the CON  
LAWS OF 1968, ~~THE~~ I AM ALARMED  
by this ACTION which I think WAS  
premature, this is ONE more step  
OF the GOVERNMENT OF TAKING AWAY  
INDIVIDUAL RIGHTS GUARANTEED by  
OUR CONSTITUTION. I SHALL ATTEMPT  
to CHANGE this by the way I vote  
next election.

Dear Mr. McElhany:

Thank you for your letter concerning so-called gun control legislation. I enclose a copy of my press release announcing my intention to try to get this onerous law off the statute books. I opposed the bill and I oppose the way the law is now being administered. I appreciate knowing you share my view of this matter and will also appreciate any support you and your friends can give my efforts.

Sincerely,

CARL ALBERT, M. C.
