Mr. M. A. Lennon  
Clayton, Oklahoma 74536

Dear Mr. Lennon:

Thank you for your letter. I am sure you know that I voted against the gun control bills offered in the last Congress and that I was instrumental in having struck from the bill the proposed registration and licensing requirements. A great many bills which would amend last year's legislation have been introduced. It is too soon to judge the nature of any amendments which will be reported from the Committee but when we have this matter on the Floor of the House, I certainly will see what I can do to repeal this ridiculous law.

Sincerely,

CARL ALBERT, M. C.
